### What services are included in the Wedding Officiant Service?

Here is a list of some of the things the Officiant honorarium (fee) includes.

3. **Recommendations-** readings, rituals (sand ceremony, unity candle etc) you would like to add to make the ceremony special to you.

## Why Wedding Ministers Puerto Rico?

- **REAL MINISTERS** - All our bilingual officiants are the real thing; ordained by real churches and have parish experience and theological degrees from accredited seminaries. **NONE** of our bilingual ministers have been ordained online by internet “churches” (such as Universal Life Church or others)
- **TEAMWORK**- You don’t depend on only one person as we are a group of officiants. So even though it is one officiant who will marry you, for many couples is a plus knowing that in case of an emergency is better to have a level of back up which an individual officiant can not provide
- **FLEXIBILITY**- Ceremonies can be Christian or Non Denominational (Religious or Non Religious)
- **ATTIRE**- Ministers use a uniform depending on the type of giving your wedding a more professional look. But if you prefer a Suit & Tie or a Guayabera (men) or a regular dress (female) that’s fine too; just let us know!
